About Cotton Tree:

The Cayman Islands’ new luxury hideaway, [Cotton Tree](#), on the northernmost point of Grand Cayman (ten minutes from the famed Seven Mile Beach), beautifully evokes the spirit of the Cayman Islands with its pastel-hued, plantation-style cottages just steps from the Caribbean Sea amidst a lush garden setting of tropical flowers and avocado, guava, mango and cotton trees for which the hotel was named. Owner Heather Lockington, a global traveler who was born in the Cayman Islands, built her dream property in West Bay, creating an authentic haven where guests could embrace Caymanian heritage. Additional amenities include a freshwater swimming pool, fitness center and yoga and spa pavilions nestled among Seagrape trees, perfect for a sunset massage. A personal chef can whip up gourmet meals accompanied by wines chosen by a sommelier, or Cotton Tree is a quick drive to Grand Cayman’s best restaurants. Additionally, hotel services such as a reception/concierge, bellhop, housekeeping and turndown on request are also featured.
