About Cotton Tree:

Located on the northernmost point of Grand Cayman, just ten minutes from the famed Seven Mile Beach, Cotton Tree beautifully evokes the spirit of the Cayman Islands with its four spacious pastel-hued, plantation-style cottages just steps from the Caribbean Sea amidst lush garden setting of tropical flowers and avocado, guava, mango, lime, banana and cotton trees for which the hotel was named. Owner

Heather Lockington, a global traveler who was born in the Cayman Islands, built her dream property in West Bay, creating an authentic haven where guests could embrace Caymanian heritage. Amenities include a freshwater swimming pool, fitness center and yoga and spa pavilions nestled among seagrape trees, perfect for a sunset massage. A personal chef can whip up gourmet meals accompanied by wines chosen by a sommelier, or Cotton Tree is a quick drive or walk to Grand Cayman's best restaurants. Additionally, hotel services such as a reception/concierge, bellhop, housekeeping and turndown on request are also featured.
