**Couples Save with Cotton Tree's New "Couples Rate"**

*The Cayman Islands' Only Boutique Cottage Hotel Offers Special 30% off Rate for Single Couples*

**Grand Cayman (November 2, 2010)** – Cotton Tree, the Cayman Islands' first boutique cottage hotel, debuts a new special "Couples Rate" in 2011 available year-long at the luxury hideaway overlooking the Caribbean Sea. Representing a savings of 30%, the Couples Rate starts at \$675 per night during the high season (November – April 30th) and \$450 per night during the rest of the year. The rate gives couples the use of the entire cottage (except for the second bedroom) and all its amenities.

Cotton Tree, on the northernmost point of Grand Cayman (ten minutes from the famed Seven Mile Beach), features four pastel-hued plantation-style beach cottages in a garden setting. Highlights of the "Caribbean Chic" décor include classic contemporary furnishings, French doors overlooking the sea, black-and-white photos of old Cayman, 600 thread count Egyptian cotton sheets, and, in the baths, full-sized Elemis products, a spa or rainforest shower and Jacuzzi tub.

Cotton Tree's kitchens are truly state-of-the-art. Expect Kitchen Aid appliances, granite counter tops, high-end cutlery/cooking utensils and a French press coffee maker. The refrigerator is pre-stocked with breakfast items (organic eggs, juices, bread, cereal and local condiments) for guests who prefer to make their own, or a continental breakfast can be delivered daily. A personal chef can whip up gourmet meals accompanied by wines chosen by a sommelier, and Cotton Tree is a quick drive to Grand Cayman's best restaurants.

There are also three 42" plasma TVs, an iPod docking station, Wii, laser printer, and laptop available for guest use in each cottage. Hotel services such as reception/concierge, bellhop, housekeeping and turndown on request are also featured. Additional amenities include a freshwater swimming pool, fitness center and yoga and spa pavilions nestled among seagrape trees, perfect for a sunset massage. Guests can also experience activities hand-selected by owner Heather Lockington including biking to Barker's National Park, bird-watching and art and culinary classes.
