### **About Cotton Tree:**

*The Cayman Islands' new luxury hideaway, Cotton Tree, on the northernmost point of Grand Cayman (just 10 minutes from the famed Seven Mile Beach), beautifully evokes the spirit of the Cayman Islands with its pastel-hued, plantation-style cottages just steps from the Caribbean Sea and lush garden setting of tropical flowers and avocado, guava, mango and cotton trees for which the hotel was named. Owner Heather Lockington, a global traveler who was born in the Cayman Islands, built her dream property in West Bay, creating an authentic haven where guests could embrace Caymanian heritage. Four 1,600 square foot two-bedroom beachfront cottages resemble fully equipped houses featuring "Caribbean chic" décor, classic contemporary furnishings, French doors overlooking the sea, plasma TVs, state-of-the-art Kitchen Aid appliances, and more. Additional amenities include a freshwater swimming pool, fitness center and yoga and spa pavilions nestled among seagrape trees, perfect for a sunset massage. A personal chef can whip up gourmet meals accompanied by wines chosen by a sommelier, or Cotton Tree is a quick drive to Grand Cayman's best restaurants. Hotel services such as a reception/concierge, bellhop, housekeeping and turndown on request are also featured.*
